

# St. John the Evangelist Catholic School

513 Parkside Circle, Streamwood, IL 60107

To Whom It May Concern,

St. John the Evangelist School in Streamwood is home to approximately 240 students. Our mission is to establish a close relationship between home and school by providing opportunities for parental involvement, promoting school pride, and financially contributing to classrooms to help ensure educational success. It is our belief that the team effort between teachers and staff and a solid parent organization provides the best possible learning environment for our children.

We will be holding our Tiger Trot on May 17. The purpose of the Tiger Trot is to establish a sense of school pride, promote healthy and active lifestyle choices, and raise the funds necessary to cover our annual expenses. Students will be collecting pledges for each lap they run. Prizes will be awarded for both run participation and for fundraising.

Funds raised from this event will be used to fund St. John the Evangelist programming, including teacher allowances, assemblies, classroom technology, and field trip opportunities, while helping to offset tuition costs.

**We are asking for your support by making a financial donation to offset the cost of the Tiger Trot.**
