January 2024

Dear Parents and Guardians,

St. John the Evangelist School provides a comprehensive faith-based education to its students. Tuition is an important factor in our ability to our continued success, and tuition payments are an investment in the education and religious foundation for your child.

Fr. Gregg, the Parish Business Manager, and I have had many discussions regarding tuition and fees for the 2024-2025 school year. Additionally, the school board and finance committee have been consulted. The key component to all the discussions have been stressing the need to keep the tuition affordable for all, while still meeting the financial needs of our school. For the 2024-2025 school year, there is a 5% increase in general tuition. All necessary fees such as Technology, FACTS, etc., have been rolled into general tuition.

We recognize that meeting the financial obligations associated with sending your child to St. John the Evangelist school can be challenging. We will encourage all families who need support to complete the financial aid assistance tool provided by FACTS. We are happy to provide more information as needed; please contact the office for assistance.

**There is an option to receive a 3% discount on the annual tuition if you pay in full before the start of school.** In order to receive the discount, the tuition must be **paid in full by August 15, 2024.** You may make several payments if needed between July 1st and August 15th to receive the discount as long as the total amount due is paid in full by the deadline. See below for discounted rates.

The 2024-2025 Tuition Rates are detailed on the following page. Multiple payment options are available using FACTS Tuition Management System. Please note, families who want to pay using a credit card will be charged a processing fee. Families are invited to use debit cards or checking accounts to avoid the fees.

Sincerely,

Mrs. Elizabeth Wennerstrom  
St. John the Evangelist Principal and School Board
