513 Parkside Circle, Streamwood, IL 60107

April 2019

Dear Parents and Guardians,

St. John the Evangelist School provides a comprehensive faith-based education to its students. Tuition is an important factor in our ability to our continued success, and tuition payments are an investment in the education and religious foundation for your child.

Fr. Gregg, the Parish Business Manager, School Board, and I have had many discussions regarding tuition and fees for the 2019-2020 school year. The key component to all the discussions have been stressing the need to keep the tuition affordable for all. As such, we are pleased to report that while there will be an increase in tuition for the school year, the increase is solely intended to cover the 3% teacher salary increase. This is roughly the equivalent of \$10/month for one student – or a couple of Starbucks coffees!

We recognize that meeting the financial obligations associated with sending your child to St. John the Evangelist school can be challenging. Please remember that **Illinois Tax Credit Scholarship Program** is available to qualifying families. It is not too late to apply for the program – and I encourage you to do so at <https://empowerillinois.org/>. We are happy to provide more information as needed; please contact the office for assistance.

The 2019-2020 Tuition Rates are detailed in the following tables. Annual tuition may be divided into twelve equal payments; the first payment is due on July 1, 2019 and the last payment is due on June 1, 2020.

There is an option to receive a 3% discount on the annual tuition. In order to receive the discount, the tuition must be paid in full by August 15, 2019. See below for discounted rate.
