Dear Parent,

I hope everyone enjoyed the three day weekend. It's always nice to get an extra day over the weekend to sleep in or do something adventurous.

Thank you to all the students and parents that came out to cheer on our 8th grade volleyball team. Pack the Place was a success with the help of Mr. Binder, the players, the fans and the Spirit Committee. Thanks for joining us, it made last Friday night's game fun and exciting!

With the weather so unpredictable lately, please make sure your child is dressed properly for the day. The mornings are cold, so coats or heavy sweatshirts are appropriate. I ask that you make sure the clothing is labeled with your child's name or initials. I have noticed that our "lost and found" table is growing with unlabeled clothing/accessories!!

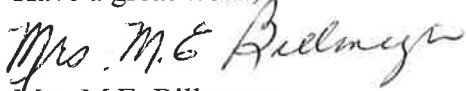

October is National Fire Awareness Month. We will be conducting more fire drills in October and also practicing our Lockdown drills. Our children should be prepared for any emergency.

With the weather changes in the future, the faculty and I have been trying to be proactive in case of a school closing. Each teacher has prepared E-Learning lessons in case I need to close school for a day. The students will be expected to go online and complete the assignments that will be posted on the teacher's page. Since we have chosen to prepare E-Learning lessons for the children, we will not need to make up any days that the school uses as an emergency day, so there will not be any added days to the end of the school year.

Please continue to hand in Box Tops! The last day to submit for a breakfast with Mrs. Billmeyer is Friday, October 25th.

*Hot lunch ordering opens on Saturday, October 19th midnight and will close on Sunday, October 27th at 11:59pm. Please put your orders through in a timely manner to avoid any issues. If you are still having problems, please contact MaryAlice Benoit at x130.

Have a great week,

Mrs. M.E. Billmeyer

Give Back Friday

This years Archdiocese of Chicago schools theme is Angels Among Us. In keeping with the idea of being an Earthly Angel who shares his gifts, one Friday a month, students will be asked to bring in donations to be donated to the charity of the month.

To thank students for their generous donations, they will be allowed to wear spirit wear on Give Back Fridays. Spirit wear allows students to express and cultivate a sense of pride in our school community. Spirit wear consists of anything displaying SJE or maroon and gray colored clothing (no text or design). Non uniform bottoms may be worn (see handbook).

Our first Give Back Friday will be Friday, October 25th. We will be collecting handmade cards for Veteran's Day. The cards should thank a veteran and should reflect effort and gratitude. Please include your first name (NO LAST NAMES). We will deliver to the Streamwood VFW post 5151. Those that bring a card next Friday can wear their SJE spirit wear!

For those interested in purchasing Spirit Wear, adult size clothing is available at: <https://stores.inksoft.com/WS24739/shop/home>

Child sizes will be available in the next couple of weeks - STAY TUNED!
